

Degree Projects Summary Form

Please fill out the attached form and return it with your completed Degree Project. The information we are gathering is for a Degree Project Data Base that students will be able to use in the Computer Lab.

Of particular interest are the KEYWORDS and ABSTRACT fields. The ABSTRACT field should be no more than three sentences, or 45 words, broadly describing your topic. The KEYWORDS field should be three to five descriptive words or phrases.

For example, the title of your work is *The King County Roads Capital Improvement Plan Issues and Public Finance*. Your KEYWORDS might be: KING COUNTY, INFRASTRUCTURE, ROADS, CAPITAL PROJECTS, PUBLIC FINANCE. Your abstract could be two or three sentences from the Executive Summary.

This information will be useful to students scanning the Data Base for degree projects on topics they are working on. Your assistance will greatly benefit these students. Thank you!
